
Plantilla del disseny de les p  gines

Description

He elegido una estructura clara y ordenada, distribuyendo el texto, las im  genes y los diferentes elementos en secciones diferenciadas. Esta organizaci  n facilita la lectura y la navegaci  n, permitiendo encontrar la informaci  n de forma sencilla.

La plantilla se aplica de manera coherente en las diferentes p  ginas, manteniendo una estructura similar para los t  tulos, textos, im  genes y dem  s elementos. De esta forma se consigue una apariencia uniforme y profesional.
